A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

Carcanet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Late, Michael Hamburger, "Late" is both an elegy for and a celebration of life in our century as we approach the end of the millennium. In the spirit and style of Michael Hamburger's much-admired "Variations", "Travelling" and "In Suffolk", it is a narrative meditation in a developing series of short passages. In some of his most musical and subtle lyric writing, it draws together the abiding concerns of his poetry: the cycles of the passage of time, the interrelation of past and present, of continuity and change, in both the natural and the social and historical worlds.
