How trauma affects our thoughts, feelings and behavior are discussed to help children recognize and express how they might have, or might be, affected by stressful events in their lives. Ways of coping with trauma are suggested as well as the message that kids are survivors and can overcome things that might have been traumatic in their lives. The book includes vivid illustrations, keywords, simple explanations, open-ended questions as well as a fun Can you spot it? game throughout the book to keep children engaged and refocus if they become distracted or anxious due to the topic being discussed. Review questions, a word search as well as useful on-line resources are also provided. REVIEWS: A wonderful book to read and share with your kids. It is very informative, yet simple, easily allowing you to introduce the concept of trauma to your children. You will love the colorful and bright illustrations which will keep even the youngest children interested. An excellent resource for everyone. Lymaris Barger, Mother of Maya (9) and Owen (5) Robert Edelman has written a sensitive and thoughtful book about a difficult but prevalent condition. Illustrations are beautifully detailed and will be appreciated by all. A Guide to Teaching Kids about Trauma can be used in both educational and therapeutic settings and is appropriate for young and middle age children. Parents will also find this book engaging and very useful with helping their children cope with traumatic events. Dr. Linda Abeles, Clinical Psychologist This easy to read book highlights many of the challenging aspects of...
