Fred. Anderson, Architect and Civil Engineer, of the city of Washington, D.C., most respectfully represents - That in obedience to your appointment and directions, made in pursuance of the concurrent resolution of the two Houses of Congress of the 10th of May last, the undersigned has diligently applied himself ta minute examination of the various parts of the North and South Extensions, and to the various plans and drawings of their several parts which will necessarily have to be used or which will be slightly affected by the plan by which he proposes to improve the lighting, heating, ventilating and acoustics of the Halls of Congress, with a view to discover the most direct, easy, and economical manner in which the plan can be applied to the structure as it now exists. This examination has the more strongly and clearly developed the errors of those parties having charge of the construction of these Extensions, in departing from the plans which the undersigned had the honor to furnish for the accomplishment of these objects, and which had been submitted to President Fillmore, and was supported by Mr. Webster, then Secretary of State. During the administration of President Pierce these same plans were submitted to him, and fully examined and approved by Montgomery C. Meigs,...
