Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****. Excerpt from The Druid Path Phadraig, son of Nihil of the Ua Dinan, held silent his white hound on the hill of Cromm Cm, and looked down the far valley of blue mists where the sea of the west rolled in. Back beyond the sweet-smelling reaches of the heather he could hear the bay of the hounds of his uncle Kieran, Tiern over North Tormond. He could no longer hear the clink of their silver bridles, nor the laughter of their ladies, nor the scream of hawk on dove. But the hill of the ancient god was a sweet place in the silence, and he rested there, and made him a pillow of fern - and listened to the soft breath of the wind in the rowan tree. Its sigh of love for the green earth was a sweet song, and he slept there to that music, while the sun rushed beyond the wide seas of the west, and soft-footed dusk crept after, filling all the hollows with the gray web in which the night is held. A curious dream of white birds came to him there; the dream had come to him before, yet not with clearness - and in the dream was a dusk path in an ancient wood, and a well there - a well rising and sinking with the tide, and a vision of a maid moving before him into the shadows - a vision swathed in a white cloud, with hidden face but a voice in which was held all the music of beauty of life in all the world. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic...
