Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. We are all to blame for all the wars happening around the world today. We embellish and romanticize war so much that kids can actually play it as a video game. A game made from visuals of the real thing. It seems as if the media is controlling our minds with shocking stories giving great ratings for their shows. I am still trying to find a show that focuses on solving the issues or focuses on people who are looking at these issues from the standpoint that we must stop this insane cycle of racism, genocide, systematic control and hate. I love history and political science. This book gives accounts of related events while allowing the reader to reflect on the past while gaining insights as to how we as individuals can make a change and lead the world to do the same. We must try to control the destructive machine that is controlling us. We must remember that we built this machine and have the tools to take it apart. It is a cry for world peace because religions are at war. We must try to fix the problems of injustices and put leaders into power who are of the people. We are all men and women of the world rich and poor breathing the same air. Lets try to clean this air before we all suffocate. Events of the past teaches us the facts and how we can move forward but we seem to always move backwards. Great cultural understanding is needed and the world must break away from our materialistic mindset that has plagued us. The world is now looking to Africa...
