## OCULATUM: A BOOK OF GREAT INSI (HARDBACK)

Penguin Putnam Inc, United States, 2003. Hardback. Book Condition: New. 180 x 122 mm. Language: English . Brand New Book. First invoked during the great fire of 1666 that turned London to ash, spread by word of mouth, quoted in early pamphlets and almanacs, scribbled on paper and hidden in bricks, The Oculatum has been shared by generations who have discovered sanctuary and wisdom in its unique teachings since medieval times. Now, Butler Yates, has collected the teachings of The Oculatum in one place: a book of great insight for those who wish to see. It is not important to remember the phrases found within or to understand their meaning at first sight, rather this book with no beginning, middle, or end may be read in either direction. The secret of The Oculutum lies in the power of individual choice. YOU must decide which is the front and back of this book, which is the top and bottom of the page. YOU must choose which section to start. And in six days, greater clarity of thought, increased self-awareness, renewed focus, and inner strength will be YOURS.
