It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

S. 2673 is the Administration proposal, and would provide a nonrefundable tax credit for tuition paid to elementary and secondary schools that have racially nondiscriminatory policies. S. 550 would provide a refundable tax credit for tuition paid to a tax-exempt private elementary or secondary school that does not exclude persons from admission on the grounds of race, color, or national or ethnic origin, or to a public or private college or vocational school. The Senate Committee on Finance has scheduled an initial markup of S. 2673 for August 9, 1982. A public hearing on S. 2673 was held by the Committee on Finance on July 16, 1982. Public hearings on S. 550 were held by the Finance Subcommittee on Taxation and Debt Management on June 3 and 4, 1981. The first part of the document is a description of present law. This is followed in the second part by a description of S. 2673. The third part is a description of the primary differences between S. 550 and S. 2673.
