Smokestack Books, United Kingdom, 2014. Paperback. Book Condition: New. 197 x 127 mm. Language: English . Brand New Book. The title sequence of The Erotics of God is a series of meditations on the theology of desire and the value of eroticism. Sebastian Barker stands in the tradition which includes Patrick Kavanagh, Blake, Bernard of Clairvaux, Origen, and The Song of Songs. He considers the immanence in sexual love of the beautiful and the sublime, the mortal and the sacred. In the second part, Spirit of the River, he sets art and friendship, which draw us towards the crazy colours of the sun , against the termite men , who drive us towards the abyss . The Erotics of God is a stunning and original collection, which combines Barker s distinctive lyricism and scholarship with common sense and wit. It completes his visionary trilogy, Damnatio Memoriae: Erased from Memory (Enitharmon, 2004) and The Matter of Europe (Menard Press, 2005). A brilliant and original voice. -Harold Pinter.
