Jones examines God s way of redemption and the specifics of how and why believers should embrace what God intended as the born-again experience on Earth. Filled with focused support from the Bible-Genesis to Revelation-True Freedom shares of the bounty available to every Christian as a new creation. This study includes several iterations of an infographic entitled alternately Man s Composition at Creation and The God of All Creation, which reinforce the well explicated textual points concerning the makeup of Man-Spirit, Soul and Body. This is Gospel message itself, presented in the moving cadence of gospel music: He is holy. We are holy. This exemplifies the great work at the cross: The cross bears the punishment of the sinner. The cross evaluates the worth of the sinner. The cross crucifies the sinner. The cross releases the life of the Lord Jesus Christ to the crucified sinner and he is resurrected as a born-again saint.
