Orb Books. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 8.0in. x 5.4in. x 1.0in. Here is a tale of a family dealing with the death of their father, a son who goes to court for his inheritance, a son who agonizes over his fathers deathbed confession, a daughter who falls in love, a daughter who becomes involved in the abolition movement, and a daughter sacrificing herself for her husband. Here is what sounds for all the world like an enjoyable Victorian novel, perhaps by Anthony Trollope except that everyone in the story is a dragon, red in tooth and claw. Here are politics and train stations, churchmen and family retainers, courtship, and country houses in which, on the death of an elder, family members gather to eat the body of the deceased. In which societys high and mighty members avail themselves of the privilege of killing and eating the weaker children, which they do with ceremony and relish, growing stronger thereby. You have never read a novel like Tooth and Claw. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
