Reviews

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).

(Mr. Johnathon Dach)

SIMON SCHUSTER, United States, 2013. Paperback. Book Condition: New. Reprint. 193 x 130 mm. Language: English . Brand New Book. Can an undercover nerd become a superstar agent? Ben Ripley sure hopes so and his life may depend on it! Ben Ripley may only be in middle school, but he s already pegged his dream job: C.I.A. or bust. Unfortunately for him, his personality doesn t exactly scream secret agent. In fact, Ben is so awkward, he can barely get to school and back without a mishap. Because of his innate nerdiness, Ben is not surprised when he is recruited for a magnet school with a focus on science but he s entirely shocked to discover that the school is actually a front for a junior C.I.A. academy. Could the C.I.A. really want him? Actually, no. There s been a case of mistaken identity but that doesn t stop Ben from trying to morph into a supercool undercover agent, the kind that always gets the girl. And through a series of hilarious misadventures, Ben realizes he might actually be a halfway decent spy if he can survive all the attempts being made on his life!.
