Schofield & Sims Ltd. Paperback. Book Condition: new. BRAND NEW, First Comprehension Book 2, Celia Warren, First Comprehension provides an early introduction to written comprehension, developing children's enthusiasm for reading and their ability to interpret texts. When working through the series, support from an adult will boost children's confidence and help them to understand and evaluate each text. The books are easy to mark and provide a permanent record of each child's work, helping you to monitor progress. Designed to support the National Curriculum for Years 2 and 3, the content of this series has wide appeal and may also be used by older children. First Comprehension Book 2 is aimed at children who are gaining confidence in written comprehension. It is designed to stretch high-achievers in Year 2 (ages 6 - 7), and also provides extra practice for children in Year 3 (ages 7 - 8). 18 carefully selected texts reflect the range of genres recommended by the National Curriculum, and accompanying questions are presented in two parts, to suit the concentration level of most children in this age group. The second of two First Comprehension activity books, this book features work by writers such as Kenneth Grahame and Jacqueline Wilson, as well as an autobiographical text and a number of accessible non-fiction texts. The series provides: a brief introduction, enabling teachers, parents and adult helpers to use the books effectively; passages from classic and contemporary fiction to broaden children's reading experience; a wide selection of poetry, from William Wordsworth to Tony Mitton; stimulating non-fiction extracts, with different subjects and structures; a range of question types, including direct, inferential and evaluative questions. The separate Teacher's Guide contains teaching notes, sample answers and further activities for each text, allowing you to use First Comprehension to its full potential.
