

Perspectives on Faculty Roles in Nursing Education (Hardback)

By B. Lynne Welch

ABC-CLIO, United States, 1992. Hardback. Book Condition: New. 247 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****. This book discusses the roles and responsibilities of nursing faculty and deans related to student education, nursing program management, and success within the academic and clinical environments. Various chapters cover topics such as significant role factors and their influence on role strain--time constraints, pressure to do research and secure funding, and lack of adequate support services; strategies to reduce role strain; the use of mentoring, which decreases role strain and enables faculty to better negotiate the promotion and tenure system; the changing demographics of the student body and the effect that adult students have on teaching styles; the multiple roles of deans; and the recruitment and retention of minority students.

Reviews

Very good e-book and valuable one. It really is packed with knowledge and wisdom I am just very easily could possibly get a satisfaction of reading a created pdf.

-- **Walton Haag**

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.
