This item is printed on demand - Print on Demand Neuware - Scientific Essay from the year 2016 in the subject Sociology - Social System, Social Structure, Class, Social Stratification, , language: English, abstract: Social class issues have taken a crucial role in the social sciences (Martti, 2000). The term 'social class' was developed in the 18th and 19th centuries and has been used widely, particularly by sociologists and political-economic theorists such as Thomas Hobbes, John Locke, Jean Jacques Rousseau, Karl Marx, Max Weber, Ralf Dahrendorf and so on (Encyclopaedia Britannica, 2012). It is clear that societies have been stratified into various classes (Roberts, 2001). Social inequality and the differences between people are two such obvious characteristics in every society that it has become necessary to classify society into the different classes (Crompton and Gubbay, 1980). Furthermore, Steenberge (2012) states that 'normally, individuals are grouped into classes based on their economic positions and similar political and economic interests within their culture'. Inequalities can be seen as being stratified on the basis of social class and this has been a main area of Marx's theory. Social class is a key...
