*A must buy book if you need to adding benefit. It is actually written in basic phrases and never difficult to understand. I found out this book from my dad and i advised this publication to find out.

BlueBridge. Hardback. Book Condition: new. BRAND NEW, Embracing the Seasons: Memories of a Country Garden, Gunilla Norris, In Embracing the Seasons Gunilla Norris shares her soulful and thought-provoking observations of a year lived in the countryside and reflects on the abundance and meaning of nature and its cycles of renewal. This journey through the seasons has been shaped by being home in an old farmhouse with its large garden of flowers, vegetables, brook and pond, surrounded by a country landscape of stone walls, woodlots, and living creatures. The book begins in the spring, with the birds singing in the darkness of dawn and the buds knobbing up on the trees and bushes, and then circles through the warmth and richness of summer, the golden bounty of fall, and the dark serenity of winter. Until it is spring once more. Embracing the Seasons opens our eyes to ordinary wonders and not so ordinary meanings in the small events and encounters of the everyday. By illuminating the joy and beauty of daily life, it is an invitation to find and honor the sacred in the place we call home.
