Packages Access codes for Pearsons MyLab and Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- This entry-level text can help any learner successfully master the basic math skills needed in today's health professions. This edition's fresh, open, full-color design includes far more white space for student practice, plus many new learning features. MATH BASICS FOR HEALTHCARE PROFESSIONALS, 4e begins with a comprehensive pre-test to gauge students' abilities and remediation needs. Next, it offers practical, health-centered coverage of pre-algebra, the metric system, reading drug labels, medicine cups, syringes, intravenous administration bags, parenteral dosages, basic intravenous administration, and basic dosage by weight units. Each unit provides a 15-question pre-test, followed by concept review, instruction, examples, practice problems, critical thinking questions, and a 15-question post-test. Appendices include answers to odd-numbered practice problems, additional practice, a comprehensive post-test, and new...
