*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

Music Mentor Books, United Kingdom, 2009. Paperback. Book Condition: New. 232 x 152 mm. Language: English . Brand New Book. David Williams grew up in Epsom, Surrey and was a childhood friend of future Led Zeppelin guitar legend, Jimmy Page. Together they discovered what was for them an intriguing and very different kind of music: the blues. As their interest grew into a passion, they befriended other teenage enthusiasts -- among them Brian Jones, Mick Jagger and Keith Richards -- becoming part of a movement that ultimately brought about the 60s rock revolution. Part-biography, part-history, The First Time We Met The Blues is packed full of great anecdotes and unique insights into the early British blues scene, Page's formative years as a musician, the beginnings of the Rolling Stones, and much more besides. It culminates with a detailed account of a momentous expedition by van from London to Manchester to see the American Folk-Blues Festival in October 1962 -- the first time ever that Williams and his friends had an opportunity to see legendary American bluesmen like T-Bone Walker, Willie Dixon and John Lee Hooker in action -- and an assessment of its far-reaching aftermath.
