### Reviews

*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*

MOOD AND WILL. jjINTER came apace. When we look towards winter from the last borders of autumn, it seems as if we could not encounter it, and as if it never would go over. So does threatened trouble of any kind seem to us as we look forward upon its miry ways from the last borders of the pleasant greensward on which we have hitherto been walking. But not only do both run their course, but each has its own alleviations, its own pleasures; and very marvellously does the healthy mind- fit itself to the new circum N stances; while to those who will bravely take up their burden and bear it, asking no more questions than just, Is this my burden 1 a thousand ministrations of nature and life will come with gentle comfortings. Across a dark verdureless field will blow a wind through the heart of the winter which will wake in the patient mind not a memory merely, but a prophecy of the spring, with a glimmer of crocus, or snowdrop, or primrose; and across the waste of tired endeavour will a gentle hope, coming he knows not whence, breathe springlike upon the heart of the man around whom life looks desolate and dreary. Well do I remember a friend of mine telling me once--he was then a labourer in the field of literature, who had not yet begun to earn his penny a day, though he worked...
