Brand New Book ***** Print on Demand *****.This book is a collection of sayings that my dad used to tell me while we were sitting around the fishing hole, to get me to understand how men should carry themselves. He would constantly tell me how a man should have a strong faith in God in order to lead his family and things like, a man should have common sense as well as book sense. I got the idea to write this book because this young lady I was dating told me once that she could tell the difference...
