Need2Know. Paperback. Book Condition: new. BRAND NEW, Secondary School: A Parent's Guide, Glynis Kozma, We all want our children to do well, enjoy themselves and create the foundations for a successful adult life while they're at secondary school. The choices and decisions made by teenagers regarding the subjects they study at secondary school are of such importance, it can sometimes be overwhelming, daunting and frustrating as a parent to provide support and help your child to make the best choices. This book will guide parents through secondary school, from year 7 to 11, including information on secondary school league tables, secondary school curriculum, Ofsted reports, SATs, GCSEs, homework, secondary school teachers and parents evenings. Problems with under-age drinking, smoking, relationships, bullying and friendships are typically part of growing up today, and this book will also contain practical guidance on how to cope with issues such as these so they have a minimal effect on your child's school work. With a glossary to explain educational jargon, information on special educational needs plus practical advice about your child's opportunities and choices post-secondary education, this book will be a great investment to see your child through some of the most important years of their life.
