Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from English for Business, as Applied in Commercial, Technical, and Other Secondary Schools This composition text is designed to meet the needs of all high schools that aim to prepare pupils for the business of life. In using the title English for Business, the author wishes to suggest breadth rather than limitation of purpose. About eighty-five per cent of the pupils in our high schools never go to college but, upon graduation, engage in some business or professional pursuit. This is especially true of boys. Another large group of pupils, in both classical and vocational high schools, find it necessary to work in stores, offices, and shops in free time in order to support themselves while attending school. Because of these facts, the author has aimed to create a book which will supply both of these groups with the practical training necessary for such immediate life purposes. The ultimate aim of every high school course in English composition is to train pupils to speak and write with clearness, accuracy, and directness upon subjects of interest which...
