Little, Brown Book Group, United Kingdom, 2008. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. With the recent success of Rome on BBC2, no one will look at the private lives of the Roman Emperors again in the same light. Anthony Blond's scandalous exposé of the life of the Caesars is a must-read for all interested in what really went on in ancient Rome. Julius Caesar is usually presented as a glorious general when in fact he was an arrogant charmer and a swank; Augustus was so conscious of his height that he put lifts in his sandals. But they were nothing compared to Caligula, Claudius and Nero. This book is fascinating reading, eye-opening in its revelations and effortlessly entertaining.
