By Grant Bailie

Ig Publishing. Paperback. Book Condition: new. BRAND NEW, Cloud 8, Grant Bailie, "Mad, fascinating and quite moving . . . a splendid start for storywriter Bailie . . ."- "Kirkus Reviews" James Broadhurst is killed in a car accident and finds himself floating towards the great white light. Instead of finding angels and puffy white clouds, he discovers an afterlife that consists of free beer, an evasive roommate and to his astonishment, a job! As James moves through this "heaven" (or hell?), where half the population bears a bizarre and uncanny resemblance to Abraham Lincoln and where his own funeral is the movie of the week, he begins to yearn for something more than what he had in life, and what he now has in death. Cleveland-based novelist Grant Bailie has created a richly imagined landscape, and a witty and touching rumination on life and death.

The publication is great and fantastic. I actually have read through and I am sure that I am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and I encouraged this publication to understand.
